

PURPOSE

The mission of the 27-4 Long Range Riding Platoon (LRRP) is to foster camaraderie within the chapter through participants attendance at CVMA® events both inside and outside the borders of our home state. Events sanctioned by the NBOD, State and by the 27-4 Chapter Executive Board (CEB). The LRRP is strictly voluntary and is open to all chapter members. An added benefit of the LRRP is that it will be used to maintain a record of a participant’s mileage that was devoted to non-profit events. This mileage may be deductible from the participant’s income taxes at the end of the calendar year thus providing an added incentive for participants to attend these events. Participation will also foster support to all veterans. This is a program is not designed as a method to segregate members from one another.

PATCH

The 27-4 LRRP patch is in the shape of a military guidon. The color of the patch shall be black with a gold border. The lettering will be gold for the “CVMA”, “27-4” and “LRRP” on the patch. The CVMA skull is centered. The size of the patch will be approximately 4 ¼ wide x 2 ½ inches tall.

RECOGNITION

Each chapter participant who completes the 27-4 LRRP requirements shall be authorized to wear the LRRP Guidon and mileage tabs. These patches recognize chapter members/participants for their long-distance riding accomplishments. Each awardee shall be entitled to continue wearing this award regardless of their chapter affiliation should they leave 27-4.

OVERVIEW

The 27-4 LRRP one time participation fee may be made at any time and does not exclude any miles logged before payment. All miles logged will become effective on day one, when an individual begins riding with the chapter and will run continuously throughout duration of their participation with the chapter. Upon completion of eligibility requirements participants will be awarded the LRRP Guidon followed by “total miles” tab patches at designated mileage increments All patches will be awarded at our chapter’s annual Christmas party. The 27-4 chapter LRRP is not mandatory, participation is optional to all chapter members.
